

Greater Egypt Long Range Transportation Plan

Illustrative Project List

Addendum

Date: August 12, 2022

Sponsor: Mayor Jason Ashmore, City of Sesser

Project Owner: City of Sesser

Rank: -undefined-

Project Name: Multiuse Trail / Trail to Sidewalk Connector

Estimated Cost: -unknown-

Project Type: Bicycle and/or Pedestrian Facility

(To provide a safer and direct connection for healthy and active living by providing additional transportation facilities and increased choices to travel from the City of Sesser to the greater Rend Lake area.)

Notes:

- This project meets the Greater Egypt Long Range Transportation Plan goals as stated on page 71 of the Plan.
- This project provides connectivity from “Sidewalks” to “Multi-use trail” as illustrated on page 66 of the Greater Egypt Long Range Transportation Plan.
- This project will provide safer connection from the City of Sessor to future IDOT projects located approximately three miles from City of Sessor to Rend City Road or approximately four miles from City of Sessor to Rend Lake Trails.
